

Ride natty ride - 1/2

Interprété par Bob Marley.

Dready got a job to do
And he's got to fulfill that mission, yeah
To see his hurt
To be their greatest ambition, yeah
But-a we will survive
In this world of competition
Cos no matter what they do
Natty keep on comin' thru
And no matter what they say-ay
Dready de deh everyday

Natty Dread rides again
Thru the mystics of tomorrow
Natty Dread rides again
Havin' no fear, havin' no sorrow, yeah

All and all you see a Gwan
Is to fight against a Rastaman
'nd so they build their world in great confusion
To force on us the devil's illusion
But the stone that the builder refuse
Shall be the head cornerstone
And no matter what game they play
And we've got something they c'd never take away
We've got something they c'd never take away

And it's the fire, fire, it's the fire, fire
It's burning down everything
Feel fire, fire, fire, fire
Only the birds have their wings, yeah

No time to be deceived
Brothers, you should know and not believe
Jah says this judgement could never be with water
No water could put out this fire, fire
This fire, fire, this fire, fire
This fire, fire, ayagayo
Oh ride Natty ride
Go deh Dready, go deh

Cos now the fire is out of control
Panic in the city wicked weeping for their gold
Everywhere the fire is burning
Destroying and melting their gold
Destroying and waisting their souls

Oh ride Natty ride

Ride natty ride - 2/2

Go deh Dready, go deh
Tell you what,
Now the people gather on the beach
And the leader try to make a speech
But the Dread again tell them it's too late
Fire is burning, man pull your own weight
Fire is burning, man pull your own weight
Man pull your own weight

Natty Dread rides again
(Natty Dread rides again)
And me say Go deh Dready, go deh
(Go deh, go deh)
Oh ride Natty ride (Natty Dread rides again)
And go deh Dready, go deh (go deh, go deh)
Riding thru the storm
Riding thru the calm
(Go deh, go deh)
Oh ride Natty ride
Go deh Dready, go deh
Ride Natty ride
Go deh Dready, go deh
