

Survival - 1/2

Interprété par Bob Marley.

How can you be sitting there ?
Telling me that you're kept, that you're kept
When everytime I look around
The people suffer and they suffer
In every way, in every where
Say, na-na-na-na-na, na-na-na

We're the survivors
Yes the black survivors
And tell you what
Some people got everything
Some people got nothing
Some people got hopes and dreams
Some people got ways and means
Na-na-na-na-na, na-na-na

We're the survivors
Yes the black survivors
Yes we're the survivors, Daniel out of the lions' den
Survivors, survivors
So I my brethern, my sisthren
Oh which way will we choose
We'd better hurry, oh hurry, oh hurry woe now
Cos we got no time to loose
Some people got facts and claims
Some people got pride and shame
Some people got the plots and the schemes
Some people got no aim it seems
Na-na-na-na-na, na-na-na

We're the survivors
Yes the black survivors
Tell you what

We're the survivors
Yeah the black survivors
Yeah we're the survivors
Like shadrach, meshach and abednego
Thrown in the fire but never get burn
So my brethern, my sisthren
The preaching and talking is done
We've got to live, oh now, oh now
Cos the father time has come
Some people put the best outside
Some people keep the best inside
Some people can't stand up strong
Some people won't wait for long

Survival - 2/2

Na-na-na-na-na, na-na-na

We're the survivors

In this age of technological humanity (black survival)

Scientific atrocity (survivors)

Atomic mis-philosophy (black survival)

Nuclear mis-energy (survivors)

It's a world that forces lifelong insecurity

All together now

Na-na-na-na-na, na-na-na

We're the survivors

The black survival

A good man is never honoured in his country

Black survival

Nothing change, nothing strange
