

I'm hurting inside - 1/1

Interprété par Bob Marley.

When I was just a little child
Happiness was there awhile
Then from me, yeah, it slipped one day
Happiness come back, I say
Cos if you don't come,
Well if you don't come, I've got to go lookin'
Lord for happiness, happiness
Said, I'm hurting inside
I'm hurt, I'm hurting inside, Lord now
Oh, hear my cry, hear my cry, yeah
Been together like school children
Then you hurt me just in vain
Lord I'm your weary child
Happiness come back awhile
Cos if you don't come, I've got to go lookin'
For happiness
The road is dangerous
Well, if you don't come, I've got to go lookin'
For happiness, happiness
I'm hurting inside I'm hurting inside
Feel the pain, feel the pain
I'm hurting inside I'm hurting inside
