

Slave driver - 1/1

Interprété par Bob Marley.

Slave driver the table is turned
Catch a fire so you can get burned
Slave driver your table is turned
Catch your fire, you're gonna get burned

Ev'ry time I hear the crack of a whip
My blood runs cold

I remember on the slave ship
How they brutalised their very souls
Today they say that we are free
Only to be chained in poverty

Good god, I think it's all illiteraci
It's only a machine that makes money
