

Lively up yourself - 1/1

Interprété par Bob Marley.

You're gonna lively up yourself, and don't be no drag
You lively up yourself, oh reggae is another bag
You lively up yourself, and don't say no
You're gonna lively up yourself, coz I said so

You're what you're gonna do
You rock so, you rock so, like you never did before, yeah
You dip so, you dip so, dip thru my door
You come so, you come so, oh yeah
You skank so, you skank so, be alive today

You're gonna lively up yourself, and don't say no
You lively up yourself, big daddy said so, y'all
You lively up yourself, and don't be no drag
You lively up yourself, coz reggae is another bag

What you've got that I don't know ?
I'm trying to wonder, wonder, wonder why you...
Wonder, wonder why you act so ?
(Hey, do you hear what the man said ?)
Lively up yourself

Your woman in a morning time, y'all
Keep to lively up your woman when the evening come
And take her, take her, take her, take her
Come on babe coz I wanna be lively myself, y'all
Lively up yourself, lively up yourself

You're gonna rock so, you rock so
You rock so, you rock so
You dip so, you dip so
You skank so, you skank so, and don't be no drag
You come so, you come so, oh reggae is another bag
Get what you got in that bag ?
What have you got in the other bag you got hanging there ?
What you say you got ? I don't believe you
