

## Selassie is the chapel - 1/1

**Interprété par Bob Marley.**

Haile Selassie is the chapel  
Power of the Trinity  
Trinity, Trinity is he

Build your mind on this direction  
Serve the living God and live  
Living God, living God and live

Take your troubles to Selassie  
He's the only King of Kings  
King of Kings, King of Kings is he

Conquering Lion of Judah  
Triumphantly we all must sing  
All must sing, all must sing

I search and I search  
Sacred book of life  
In the Revelation. Look what I find

Haile Selassie is the chapel  
All the world should know  
All should know, all should know

That man is the angel  
And our God, the King of Kings
