

The fantasy - 1/2

Interprété par 30 Seconds To Mars.

With the lights out it's a little less dangerous
Even with a stranger never gets painless
Don't be afraid

Every time I think I'm gonna change it
It's driving me insane

Yeah! Yeah! Yeah!

Do you live ?
Do you die ?
Do you bleed ?
For the fantasy
In your mind
To your eyes
Do you see ?
It's the fantasy

Maybe tonight we can forget about it all
It could be just like heaven
I'm a machine
No longer living, just a shell of what I dreamed

Do you live ?
Do you die ?
Do you bleed ?
For the fantasy
In your mind
To your eyes
Do you see ?
It's the fantasy

Say it, say it, say it to believe
Say it, say it, say it to me!

Ooh, whoa-oh
Ooh, whoa-oh
Ooh, whoa-oh-oh
Ooh, whoa-oh-oh
Ooh, whoa-oh
Ooh, whoa-oh
Ooh, whoa-oh-oh

Do you live ?
Do you die ?
Do you bleed ?
For the fantasy

The fantasy - 2/2

Automatic, I imagine, I believe

Do you live ?

Do you die ?

Do you blee-ee-ee-eed ?

For the fantasy

Do you live ?

Do you die ?

Do you bleed ?

For the fantasy

In your mind, to your eyes, do you see ?

It's the fantasy

Automatic, I imagine, I believe

Automatic, I imagine, I believe

Say it! Say it! Say it to believe

(Automatic, I imagine, I believe)

Say it! Say it! Say it to me!

(Automatic, I imagine, I believe)

Say it! Say it! Say it to believe

(Automatic, I imagine, I believe)

Say it! Say it! Say it to me!

Automatic, I imagine, I believe

I believe, I believe, I believe
