

From yesterday - 1/2

Interprété par 30 Seconds To Mars.

He's a stranger to some
And a vision to none
He can never get enough,
Get enough of the world

For a fortune queen
But it's hard to amend
How it ends and
On his face is a map of the world
(A map of the world)
On his face is a map of the world
(A map of the world)

From yesterday, it's coming!
From yesterday, the fear!
From yesterday, it calls him
Fighting off the world all around he can pay attention

On a mountain, a city, not a gold, nor blood
He can learn, see the life that it turn
From the count to the one
He's decided when he's done with the air

On his face is a map of the world
(A map of the world)
On his face is a map of the world
(A map of the world)

From yesterday, it's coming!
From yesterday, the fear!
From yesterday, it calls him
Fighting off the world all around he can pay attention
Fighting off the world all around he can pay attention
Fighting off the world all around he can pay attention
Fighting off the world all around he can pay attention

On his face is a map of the world

From yesterday, it's coming!
From yesterday, the fear!
From yesterday, it calls him
Fighting off the world all around, he can pay attention
From yesterday,
From yesterday,
From yesterday, the fear
From yesterday,
From yesterday

From yesterday - 2/2

Fighting off the world all around he can pay attention
