

Missing you now - 1/1

Interprété par Michael Bolton.

I talk to you but it's not the same as touchin'you
And evers time you whisper my name, I wanna run to you
We'll be together it won't be long, it won't be long
But it feels like forever and it's hard to be strong

Chorus:

=====

Baby'cause I'm missing you now
And it's drivin' me crazy
How I'm needin'you baby
I'm missing you now
Can't wait till I'm alone with you
To show you how I'm missing you now

Wishin'you were here by my side is all that I can do
Got my arms around my pillow at night they should be holdin'you
Throught I was stronger how could I know, how could I know
I can't take this much longer
It's so hard on my soul

chorus

Baby I just can't wait
Till I see your face
Chase away this loneliness inside

When you're close to my heart
Right here in my arms
Then and only then
Will I be satisfied
I'm missing you now

music

I know
We'll be together, it won't be long, it won't be long
But it feels like forever and it's hard to be strong

chorus

I'm missing you
Missing you
