

## Like you - 1/1

**Interprété par Evanescence.**

Stay low  
soft, dark, and dreamless  
far beneath my nightmares and loneliness  
I hate me  
for breathing without you  
I don't want to feel anymore for you

grieving for you  
I'm not grieving for you  
nothing real love can't undo  
and though I may have lost my way  
all paths lead straight to you

I long to be like you  
lie cold in the ground like you

Halo  
blinding wall between us  
melt away and leave us alone again  
humming, haunted somewhere out there  
I believe our love can see us through in death

I long to be like you  
lie cold in the ground like you  
there's room inside for two and I'm not grieving for you  
I'm coming for you

You're not alone  
no matter what they told you you're not alone  
I'll be right beside you forevermore

I long to be like you, sis  
lie cold in the ground like you did  
there's room inside for two and I'm not grieving for you  
and as we lay in silent bliss  
I know you remember me  
I long to be like you  
lie cold in the ground like you  
there's room inside for two and I'm not grieving for you  
I'm coming for you
