

A real fine place to start - 1/2

Interprété par Sara Evans.

I'm gonna do it darlin';
I could waste time tryin'; the figure it out
But I'm jumpin'; in anyhow
I've never been this far
Didn't know love could run so deep
Didn't know I'd lose this much sleep

Chorus:

=====

Holdin'; you close chasin'; that moon
Spinnin'; all night
Lovin'; just who you are
Sparks flyin'; in the dark
Shootin'; out lights, huntin'; down dreams
Figurin'; out what love really means
Baby givin'; you my heart
Is a real fine place to start

music

Somethin'; is goin'; on
I can't explain but sure can touch
It's callin'; both of us
Stronger than any fear or doubt
It's changin'; everything I see
It's changin'; you it's changin'; me

Holdin'; you close chasin'; that moon
Spinnin'; all night
Lovin'; just who you are
Sparks flyin'; in the dark
Shootin'; down lights runnin'; down dreams
Figurin'; out what love really means
Baby givin'; you my heart
Is a real fine place to start

Right here right now';s the perfect spot, the perfect time
The perfect moment when your skin in next to mine
