

Finding my way back home - 1/2

Interprété par Lee Ann Womack.

I been hurryin'
I been worryin'
I been runnin'against the wind
I been beetin'my soul on a longshot role
That a good man never wins

I been tossin'and I been turnin'
I been burnin'it at both ends
I been seein'myself in the rearview
And I don't like where I been

Chorus:

=====

So I'm takin'my time
Holdin'and hopin'
And drivin'and dreamin'
And lovin'every minute of it
Just enjoyin'the ride
Slowly and soulfully
Feelin'the wheels unwind
I'm findin'my way back (home)

music

I been toolin'along the two lane
I got off of the Interstate
I been goin'too fast
I got off a the gas
I been learnin'the charm of the brake

I been rollin'down all the windows
And lettin'the world rush in
The smell of the grass
In the fields that I pass
And the sun dance on my skin

chorus, music

So I'm takin'my time
Holdin'and hopin'
And drivin'and dreamin'
And lovin'every minute of it

So I'm takin'my time
Holdin'and hopin'
And drivin'and dreamin'
And lovin'every minute of it
