

## Karaoke overkill - 1/1

**Interprété par Robbie Williams.**

We're all so chic, living in class A  
Partying is such sweet sorrow today  
When you don't know who your friends are and neither do they

We're all so amused, and maybe it's better that way

She's been seen with him, he's been seen with her  
Happy propaganda, just add vodka and stir  
Sing "My Way" and mean it, karaoke overkill

We all should know better but I bet we never will

We're insecure, making me think  
I'm not fit to lace your drink  
I've seen you in Marbella, you're a real player, taking it easy (taking it easy)

We all know we shouldn't and that is why we do it  
Here's my glass house, why don't you come and view it ?  
Sing "My Way" and mean it karaoke overkill

We all should know better  
But I bet we never  
The sooner the better  
I'll send you a letter, said

Hanging with your sister  
Playing naked Twister  
Down to your toga, playing strip poker  
Give us a clue, seeing the night through

And you're so vain the song ain't about you  
Hanging with your sister  
Playing naked Twister  
Down to your toga, playing strip poker
