

## Rudebox - 1/3

**Interprété par Robbie Williams.**

Do the rudebox, shake your rudebox

Ok then back to basics, grab  
Your shell toes and your phat laces  
A little hand clap for some funk  
Facts and make your body move  
In the following places  
Goes up your back and then  
Down your spine and when it  
Hits your head ...

Ok then back to bass-heads,  
Dance like you just won at the  
Special Olympics  
I got the rudebox off the back of a  
Spaceship, so sick I just had to take it  
The R.U.D.E.B.O.X. up yer jacksy,  
Split yer kecks  
Sing a song of semtex, pocket  
Full of Durex, body full of Mandrax  
Are we gonna have sex (yes),  
Will you wear your knee socks (oh)  
Back to the rudebox

Got this double fantasy  
Where we just never stop  
I've got one desire and that's  
To funk you to the top  
Know what's on my mind,  
There's only one thing you will find  
I got one design and that's to bunn  
You till you drop

Rudebox, do the rudebox,  
'cause you're so nasty  
Rudebox, shake your rudebox,  
Why you're so nasty  
Rudebox, do the rudebox,  
'cause you so nasty  
Rudebox, shake your rudebox,  
Why you're so nasty

Ok then back to spaceship,  
Take both pills, fuck the matrix  
Jack those Jills, shake your Playtex,  
Rock three stripes, not the Asics  
A.D.I.D.A.S old school 'cause

## Rudebox - 2/3

it's the best (yes)  
TK Maxx cost less (yes)  
Jackson looks a mess (bless)

Ok then what to do,  
If you try to jack me I'll rudebox you  
If you rudebox me I'll rudebox your  
Whole crew 'cause its what I do  
Aint that right boo (true)

I'll ride with you if you can  
Get me to the border  
'Cause the Sheriff's after me  
For what I did to his daughter  
I did it like this (you did it like that)  
I love it when you double clap clap

Got this double fantasy  
Where we just never stop  
I've got one desire and that's  
To funk you to the top  
Know whats on my mind,  
There's only one thing you will find  
I got one design and that's to bunn  
You till you drop

Rudebox, do the rudebox,  
'Cause you so nasty  
Rudebox, shake your rudebox,  
Why you so nasty  
Rudebox, do the rudebox,  
'Cause you so nasty  
Rudebox, shake your rudebox,  
Why you so nasty

Ok then check the tan line,  
Make your body shake like  
You're stood on a landmine  
Call me on my mobile not the  
Landline and the jack the mainline  
At the same time

Ok then what to do,  
Got a jam so fresh it's nice for you  
Ok give it what you got and dial 808  
For the bass to drop  
Ok then whats the fracas,  
Grab your cardy, your lead  
Hat and the bus pass

## Rudebox - 3/3

You don't sweat much for a fat lass  
Grab your rudebox 'cause your  
Box is righteous

Ok bum much to show, I got high  
Speed dubbing on my stereo  
And all the tunes in the box  
Are the cherrio  
I know I told you before,  
Did you hear me though

Got this little fantasy  
Where we just never stop  
I've got one desire and that's  
To funk you to the top  
Know whats on my mind,  
There's only one thing you will find  
I got one design and that's to bump  
You till you drop

Rudebox, do the rudebox,  
'Cause you're so nasty  
Rudebox, shake your rudebox,  
Why you're so nasty  
Rudebox, do the rudebox,  
'Cause you're so nasty  
Rudebox, shake your rudebox,  
Why you're so nasty

Do the rudebox, shake your rudebox
