

Nan's song - 1/2

Interprété par Robbie Williams.

You said when you'd die
That you'd walk with me every day
And I'd start to cry and say
"Please don't talk that way"
With the blink of an eye the Lord came
And asked you to meet
You went to a better place but he stole you away from me

And now she lives in heaven But I know they let her out To take care of me

There's a strange kind of light Caressing me tonight Pray silence my fear she is near Bringing heaven down here

I miss your love I miss your touch But I'm feeling you every day And I can almost hear you say "You've come a long way baby"

And now you live in heaven But I know they let you out To take care of me

There's a strange kind of light In my bedroom tonight Pray silence my fear she is near Bring your heaven down here

You taught me kings and queens While stroking my hair In my darkest hour I know you are there Kneeling down beside me Whispering my prayer

Yes there's a strange kind of light Caressing me tonight Pray silence my fear She is near Bringing heaven down here

The next time that we meet
I will bow at her feet
And say: "Wasn't life sweet?"
Then we'll prepare
