

Cursed - 1/2

Interprété par Robbie Williams.

Dig your polished nails into the dirt
Rip your skirt off
Wipe the hurt off
You know it tears my heart out when you
Flirt with danger
And any stranger

You're not as stupid as I look
Before I could read
You wrote the book

Cursed
Since your birth dear
And your worst fears
Have all come true

Held my hand when I got my first tattoo
I was naked when they penetrated
Told everyone I'd slept with you
Thought you liked it and you wouldn't deny it
Saint Peter's gonna be unfaithful
Tell God he's got a dirty angel

Cursed
Since your birth dear
And your worst fears
Have all come true

Babe you're not the first
Here on earth dear
Cause I'm still here
And I'm cursed, too
Cursed like you

Hush
Baby sleep now
We all love you
We always did

Cursed
Since your birth dear
And your worst fears
Have all come through

Babe you're not the first
Here on earth dear
Cause I'm still here

Cursed - 2/2

And I'm cursed, too
Cursed like you

Hush
Baby sleep now
We all miss you
We always will
