

Song 3 - 1/2

Interprété par Robbie Williams.

Come join the band
Come shag the damned
God I blow them away
A heart of chrome
A broken home
I got plenty to say

Who ya doin'
Don't spoil my day
A bigger better offer baby
Is on it's way
You gotta love LA

I feel gigantic
Gonna burst a vein
I'm stoppin' traffic
Cause they dig the fame
And I'm just the same

Sorry ba-baby
Haven't seen you lately
Do you still give it away
So get my peeps
To call your peeps
Cause we've got nothing to say

Don't feed the models
Don't look (at) the police
Don't go to Crenshaw Bouli
Cause Wally can't get fleeced
Gotta love LA

I feel gigantic
Gonna burst a vein
I'm stoppin' traffic
Cause I dig the fame

I'm hearing voices voices
Like a jumbo jet
Too many choices choices
Gotta love LA
Californ-i-a

Who ya doin' baby
Don't spoil my day
You've been gloating lately baby
And I dig LA

Song 3 - 2/2

Got nothing to say

I feel gigantic

Gonna burst a vein

I'm stoppin' traffic

Cause I dig the fame

I'm hearing voices voices

Like a jumbo jet

Too many choices choices

Gotta love LA
