

# When your heart stops beating - 1/1

Interprété par Plus 44.

Verse 1:

Turn it up I never wanna go home,  
I only wanna be part of your breakdown.  
She got caught by the four on the floor,  
Who picked her up and she will never get let down.

And now I can't stop thinking about it,  
All you people at the top dont know nothing about it.  
And, we dont give a fuck what the price is.  
So, just leave us to our own devices,  
And we'll leave you alone.

Chorus:

I'll be there when your heart stops beating,  
I'll be there when your last breath's taken away.  
In the dark when there's no one listening,  
In the times when we both get carried away.

Verse 2:

She says at all without a thought in her head,  
She says it all as she's pressed up against me.  
A little something, just to take off the edge,  
A little more and I'll fall off the planet entirely.
