**Interprété par Carving.**

I've began to lose my Dog, in a Park behind my Home !  
My feet are full of shit, I was too hurry to put my shoes !  
I will be late again, chief was in the army, so give me an escape of this fuckin' day morning  
My name is Bobby Lee, my Friends call me Loser maybe because with the girls it's not really a part of fun  
I was 20 years when I've started to lose my hair  
Not a Genius at school, I was the best one in football

So fucking day, So fucking life, So fucking way, So fucking hair. Ho please tell me why, my Mum as made a stupid Guy !

I'm born in 7RHD, Hospitals were on a strike  
The first thing that I'va seen is the bottom of a car !!  
Dad as opened the door and took me in his arms, he has slide on a shit, you know why it's strange when I'm walking

So fucking day, So fucking life, So fucking way, So fucking hair. Ho please tell me why, my Mum as made a stupid Guy !

I just see one way. I tell you anyway. The only solution is suicide.
