

## Goin' crazy - 1/2

Interprété par Ashley Tisdale.

Something about your style got me freakin' out  
Hey boy, hey boy  
Gotta make you mine and there ain't no doubt  
Hey boy, hey boy  
You're really laid back and you play it smooth  
Hey boy, hey boy  
I see the way you move from across the room and I know I'm tripping on you

Boy I'm feeling something real and  
I don't know what to do  
So excited, I can't hide it  
Got my eyes on you

You've got me goin' crazy  
Want to be your baby  
I don't know what to do  
I can't take my eyes off you  
You've got me goin' crazy  
It's just the way you're moving  
I really wish you knew, what you do  
I can't take my eyes off you

You so sensational, I think you've got it all  
Hey boy, hey boy

And I like the way you're unpredictable  
Hey boy, hey boy  
Won't you come to me, just like I wished  
Hey boy, hey boy  
'Cause I never met a guy who made me feel like this  
It's a chance that I just can't miss oh

Boy I'm feeling something real and  
I don't know what to do  
So excited, I can't hide it  
Got my eyes on you

You've got me goin' crazy  
Want to be your baby  
I don't know what to do  
I can't take my eyes off you  
You've got me goin' crazy  
It's just the way you're moving  
I really wish you knew, what you do  
I can't take my eyes off you

Got me losing my mind

## Goin' crazy - 2/2

Boy wish you were mine  
Why don't you send me a sign  
I've been losing my sleep  
Think I'm falling too deep  
Don't know what it is you do to me  
What you do to me
