

Young and not g-rated anymore - 1/2

Interprété par Tokio Hotel.

You're ever getting up on time
And oversleep askin' us what's crackin'
Tokio I see somethin' that you don't see
Look you what's written on our jackets
Hotel 'scuse me you constrain us
And we have to move on
Young
We are young and no more youth-approved
I am sorry I know we shouldn't
And But we'll start to live already
We are young and no more youth-approved
No You'll realize that all of us thwart you
We'll start to live already
More
You ever look straight on
Didn't see us approachin'
Hello you got a problem
Youth 'cause we take over the commando
'scuse me you constrain us
approved And we have to move on

We are young and no more youth-approved
Songtexte I am sorry I know we shouldn't
But we'll start to live already
Songtext We are young and no more youth-approved
You'll realize that all of us thwart you
Lyrics We'll start to live already

We are young and no more
Lyric young and no more
young and no more youth-approved
We are young and no more
Liedertexte young and no more
young and no more youth-approved

We are always what is currently waste
Liedertext That's just sad
But meanwhile I don't give a shit
Alle
We are young and no more youth-approved
I am sorry I know we shouldn't
Tokio But we'll start to live already
We are young and no more youth-approved
Hotel You'll realize that all of us thwart you
We'll start to live already
Young
Yeah

Young and not g-rated anymore - 2/2

We are young and no more
young and no more
And young and no more youth-approved
We are young and no more
No young and no more
young and no more youth-approved

We are young and no more
More young and no more
young and no more youth-approved
We are young and no more
Youth young and no more
young and no more youth-approved
