Interprété par Mika.

I sit and think about the day that you're gonna die
'Cos your wrinkled eyes betrayed the joy with which you smiled
Care to see my reason ?
Care to put your life in mine ?
Looking at life from the perspective of a boy
Who's learnt to love you but has also learned to grow
Could we make it better, stormy weather
So I dunno

Oh, oh, oh – Is there anybody home ?
Who'll believe me, won't deceive me, won't try to change me ?
Ah, ah, ah – Is there anybody home ?
Who wants to have me, just to love me ?
Stuck in the middle

I look at you
You look at me
We bite each other
And with your better words you kick me in the gutter
But my troops are bigger than yours
'Cos you'll never stand my fight
Ours is a family that's based upon tradition
But with my careless words I tread upon your vision
Are five kids better than one, who'd busy like to be gone ?

Oh, oh, oh – Is there anybody home ?
Who'll believe me, won't deceive me, won't try to change me ?
Ah, ah, ah – Is there anybody home ?
Who wants to have me, just to love me ?

Yea ... Yea ... Yea ...

This is to my name
This ain't a pretty plan to break your heart of me
I know that what I've started means that when we have parted
I can live in all this (stench?)

Oh, oh, oh – Is there anybody home ?
Who'll believe me, won't deceive me, who'll try to teach me ?
Ah, ah, ah – Is there anybody home ?
Who wants to have me, just to love me ?
