

Ring ring - 1/2

Interprété par Mika.

I will sit down on the fence
and i thought that i would kiss you
i never thought i would of missed you
but you never let me fall
push my back against the wall
everytime you call, you get so emotional
im freaking out

Ring Ring

Is that you on the phone
you think your clever
but you never saying nothing at all
hey hey
the way you spin me around
you make my busy when you play me like a kid with a crown

you got a dangerous obsession
now im i need of some protection
that was never my intention
used to love me, now you hate me
say i drove you crazy
well if i did you made me
wont somebody save me, from you now

Ring Ring

Is that you on the phone
you think your clever
but you never saying nothing at all
hey hey
the way you spin me around
you make my busy when you play me like a kid with a crown

its words i wanted
until you blasted
why wont you leave me alone
hang up the phone
just let me go

Ring Ring

Is that you on the phone
you think your clever
but you never saying nothing at all
hey hey
the way you spin me around
you make my busy when you play me like a kid with a crown
