

Everything back but you - 1/2

Interprété par Avril Lavigne.

Today was the worst day
I went through hell
I wish I could remove it from my mind

Two months away from you
But I couldn't tell
I thought that everything was gonna be just fine

The post card that you wrote
with the stupid little note
Something wasn't quite right about it

It smelt like cheap perfume

And it didn't smell like you
There is no way you can get around it
Because you wrote

I wish you were her
You left out the e
You left without me
and now you're somewhere out there
with that bitch slut psycho babe
I hate you
why are guys so lame
Everything I gave you

I want everything back but you

You first tried to tell me
all along
that you weren't the right one for me

My friends tried to tell me
to be strong
I bet you didn't think that I would see

The post card that you wrote
with the stupid little note
but something wasn't quite right about it
I'd want to see you cry
like I did a thousand times

Now you're losing me

you're losing me now
Because you wrote

Everything back but you - 2/2

I wish you were her
You left out the e
You left without me
and now you're somewhere out there
with that bitch slut psycho babe
I hate you
why are guys so lame
Everything I gave you

I want everything back but you
