

Right were you want me - 1/2

Interprété par Jesse Mccartney.

Girl

there's something bout me that you outta know
I never felt the need to lose control
Always held on back and played it slow
But not this time
Baby don't be gentle
I can have a little pain

Baby

take me on a journey
I've been thinking lately
I could use a little time alone with you
Crazy
let's do something, maybe
Please don't take your time
you got me
right where you want me

Girl

I'm gonna let you have your way with me
When you move like that
it's hard to breathe
I never thought that it could be like this
but I was wrong
Baby took a chance
so I can handle anything

Baby

take me on a journey
I've been thinking lately
I could use a little time alone with you
Crazy
let's do something, maybe
Please don't take your time
you got me
right where you want me

Can't explain it

how you swept me off my feet, unexpectedly
In slow motion
my imagination running trying to keep my body still
I can hardly stand the thrill

Baby took a chance

so I can handle anything

Baby

Right were you want me - 2/2
