

Hit me with your light - 1/1

Interprété par Ryan Cabrera.

Hit me with your light
I'm lost without your
Help me find the right way out
I miss the way it was

Can anybody here me
Crying out for love me
Like a newborn baby
I can only dream

Hit me with your light
Will you catch me if I fall?
I would give my life
If you meant anything at all
Lord, help me carry on
Will you be there when I'm gone?

So come escape tonight
I'm stuck inside this moment
It's all that keeps me going
Calling out for truth

A battle with the times we
Fight to find each other
Afraid we might discover
Who we really are

Hit me with your light
Will you catch me if I fall?
I would give my life
If you meant anything at all
Lord, help me carry on
Will you be there when I'm gone?

I'm gone
Lord where you gonna be when I'm gone
I'm gone
I'm gone
I'm gone

Yeah
Hit me with your light
Will you catch me if I fall?
I would give my life
If you meant anything at all
Lord, help me carry on
Will you be there when I'm gone?
