

4 in the morning - 1/1

Interprété par Gwen Stefani.

Wakin up to find another day
The moon got lost again last night
But now the sun has finally had it's say
I guess I feel alright

But it hurts
when I think,
when I let it sink in
It's all over me
I'm lying here in the dark
Watchin you sleep, it hurts a lot

[Bridge]
And all I know is you've got to give me everything
Nothing less 'cause you know I give you all of me

[Chorus]
I give you everything that I am
I'm handin over everything that I've got
Cause I wanna have a really true love
Don't ever wanna have to go and give you up
Stay up till four in the morning and the tears are pouring
And I wanna make it worth the fight
What have we been doing for all this time
Baby if we're gonna do it come on do it right

All I wanted was to know I'm safe
Don't wanna lose the love I found
Remember when you said that you would change
Don't let me down

It's not fair, how you are
I can't be complete, can you give me more

[Bridge]

[Chorus]

Oh please, you know what I need
Save all your love for me
We can't escape the love
Give me everything that you have

[Bridge]

[Chorus]
