

Coke & tears - 1/2

Interprété par Robbie Williams.

Ok settle down you all, settle down lady
He's gonna be on stage real soon
That's right Mama put
Your popcorn down
He's turning to the band
Yeah he's running his
Lgs off, ladies and gentlemen Mr Robbie Williams

Just because your dyslexic
Doesn't mean your not fake
We know you're not that stupid
You'll marry someone rich
Bet you won't steal his watch
When your down by near his crotch
That'll explain the itch
You were such a lying bitch

I know you hold my suitcase
Down in Kensington
And you were screwing Ewen
When I wasn't in.
Did it to me, you'll do it to him
Your friends just gave me grief
I will make this brief
You were such a lousy thief
You were such a lousy thief
But you were good in bed
You were good in bed
So good in bed

Now you tell my girlfriend
That I'll never change
You've been up since Wednesday
Don't you find that strange
You're ex-boyfriend is deranged
You'll tell them down in Browns
Haven't been for years
It's full of coke & tears
Full of coke & tears
Full of coke & tears
But you were good in bed
Good in bed

Ladies and gentlemen
I'd like to thank you on behalf
Of Mr Robbie Williams and the band
You've been a fantastic audience

Coke & tears - 2/2

Robbie's opened his heart out to you tonight
And you've really taken him on board
Remember the name and whenever
he's in the neighbourhood
You get yourselves down there alright
It's been a great evening, thank you very much
Robbie Williams has now left the buidling
Oh no, I'm afriad he's come
back for his coke - now he's left the buidling
Thank you very much - thank you very much

Glory Glory Hallelujah
Glory Glory Hallelujah
Glory Glory Hallelujah
Glory Glory Hallelujah
