

Where'd you go - 1/2

Interprété par Fort Minor.

Where'd you go ?
I miss you so
Seems like it's been forever
that you've been gone
Where'd you go?
I miss you so
Seems like it's been forever
that you've been gone
Please
Come back home

Where'd you go ?
I miss you so
Seems like its been forever
That you've been gone

She said some days I feel like shit
Some days I want to quit
And just be normal for a bit
I don't understand why you have to always be gone
I get along but your trips always feel so long
And I find myself trying to stay by the phone
Because your voice always helps me to not feel so alone
But I feel like an idiot: working my day around a call
But when I pick up I don't have much to say so,
I want you to know it's a little fucked up that
I'm stuck here waiting, at times debating
Telling you that I've had it with you and your career
Me and the rest of the family here singing
Where'd you go.

Where'd you go ?
I miss you so
Seems like its been forever
That you've been gone

You know, the place where you used to live
Used to barbeque up burgers and ribs
Used to have a little party every Halloween
with candy by the pile but now
you only stop by every once in a while
Shit
I find myself just filling my time
With anything to keep the thought of you from my mind
I'm doing fine
And I'm planning to keep it that way
You can call me if you find that you have something to say

Where'd you go - 2/2

And I'll tell you
I want you to know it's a little fucked up that
I'm stuck here waiting, at times debating
Telling you that I've had it with you and your career
Me and the rest of the family here singing

Where'd you go ?
I miss you so
Seems like its been forever
That you've been gone

I want you to know it's a little fucked up that
I'm stuck here waiting, no longer debating
Tired of sitting and hating and making these excuses
For why you're not around, and feeling so useless
It seems one thing has been true all along
You don't really know what you've got till it's gone
I guess I've had it with you and your career
When you come back I won't be here and you can sing it

Where'd you go?
I miss you so
Seems like it's been forever that you've been gone
Where'd you go?
I miss you so
Seems like it's been forever that you've been gone
Please come back home
