**Interprété par Lily Allen.**

Riding through the city on my bike all day  
'Coz the filth took away my license  
It doesn't get me down and I feel OK  
'Coz the sights that I'm seeing are priceless

Everything seems to look as it should  
But, I wonder what goes on behind doors  
A fella looking dapper, and he's sitting with a slapper  
Then I see it's a pimp and his crack whore

You might laugh, you might frown  
Walking round London town

Sun is in the sky, oh why, oh why  
Would I wanna be anywhere else ?  
Sun is in the sky, oh why, oh why  
Would I wanna be anywhere else ?  
When you look with your eyes  
Everything seems nice  
But, if you look twice  
You can see it's all lies

There was a little old lady  
Who was walkin down the road  
She was struggling with bags from Tesco  
There were people from the city havin' lunch in the park  
I believe that is called 'al fresco'  
When a kid came along to offer a hand  
But before she had time to accept it  
Hits her over the head, doesn't care if she's dead  
'Cause he's got all her jewellery and wallet

You might laugh, you might frown  
Walkin round London town

Sun is in the sky, oh why, oh why  
Would I wanna be anywhere else ?  
Sun is in the sky oh why, oh why  
Would I wanna be anywhere else ?  
When you look with your eyes  
Everything seems nice  
But, if you look twice  
You can see it's all lies

Life, yeah that city life, yeah that city life, yeah that city life  
Life, yeah thats city life, yeah thats city life, yeah thats city life
