

Blow your mind - 1/2

Interprété par Jesse McCartney.

I've been watchin' you
Can't believe just what I'm seeing
You've been watching me
Yea baby, better believe it
If you wanna dance
Here's your chance to make it right
If you want romance
Baby I'll take you home tonight
Oh, oh, oh, oh
I know exactly what you wanna hear
Oh, oh, oh, oh
I'm gonna give it to ya

Ooooh, ooooh, ooooh
Baby girl it's on tonight
Ooooh, ooooh, ooooh
I'm a keep ya baby by my side
Ooooh, ooooh, ooooh
Hold you close and do you right
Turn off all the lights and lay back while I blow your mind
Ooooh, ooooh, ooooh
Can't stop livin' this life
Ooooh, ooooh, ooooh
Let's do it, you and I
Ooooh, ooooh, ooooh
Baby I'm a make you mine
Gonna have to take a deep breath when I blow your mind

She left me on the floor
Kept me on my knees just begging
For a little more
Room was hot the fire burning
Never leave me girl
Show you how to keep it goin'
I'm a rock your world
Baby the temperature is growing
Oh, oh, oh, oh
She leaned over and whispered in my ear
Oh, oh, oh, oh
I'm gonna Give it to ya

Ooooh, ooooh, ooooh
Baby girl it's on tonight
Ooooh, ooooh, ooooh
I'm a keep ya baby by my side
Ooooh, ooooh, ooooh
Hold you close and do you right

Blow your mind - 2/2

Turn off all the lights and lay back while I blow your mind

Ooooh, ooooh, ooooh

Can't stop livin' this life

Ooooh, ooooh, ooooh

Let's do it, you and I

Ooooh, ooooh, ooooh

Baby I'm a make you mine

Gonna have to take a deep breath when I blow your mind

So c'mon and let it ride

I feel it in your eyes

So tell me anything you want

Because there's nothing I wouldn't do

Ooooh, ooooh, ooooh

Baby girl it's on tonight

Ooooh, ooooh, ooooh

I'm a keep ya baby by my side

Ooooh, ooooh, ooooh

Hold you close and do you right

Turn off all the lights and lay back while I blow your mind

Ooooh, ooooh, ooooh

Can't stop livin' this life

Ooooh, ooooh, ooooh

Let's do it, you and I

Ooooh, ooooh, ooooh

Baby I'm a make you mine

Gonna have to take a deep breath when I blow your mind
