

## You make me feel - 1/1

Interprété par Jesse Mccartney.

You make me feel everything, everything  
That you know I wanna feel  
When I know a love's for real  
You make me feel everything, everything  
That you know I wanna feel  
And I know you're for real  
'Cause you make me feel

I see you watching me baby  
Your eyes are saying that you, you want me  
You know I want you too, when you want me bad  
I say you go ahead cause I show you  
Baby come on, come on baby  
'Cause you like it, you can come on anytime  
I don't mind it  
And we know for sure, they do it every beat  
When you gonna pick it up  
You make me happy  
It's like...you do  
What you do to me

You make me feel everything, everything  
That you know I wanna feel  
When I know a love's for real  
You make me feel everything, everything  
That you know I wanna feel  
And I know you're for real  
'Cause you make me feel

Shouldn't care what your girls are saying  
You don't need to be hesitating  
I know that you  
Want me like i want you too  
I'm a chance that i know you wanna take  
'Cuz i know if yoU don't you're gonna feel your heart break  
Give it up now, give it up,  
Let it all go and come to me  
Gimme love gimme love now  
In the way that I know that you know how  
Honey come on over, come on over now  
I know that you're tired of playing this game and I'm tired of waiting around  
You know baby, you make me feel, you make me feel
