

## Come to me (avec nicole scherzinger) - 1/3

Interprété par Puff Daddy.

It's Bad Boy bitch  
Do it do it do it do it  
Do it do it do it do it  
(It feels good to be back, I missed ya)  
Relax your mind, let your conscience be free  
And I roll with the sounds of BBE  
Do it do it do it do it  
Do it do it do it do it  
(You know what time it is)  
(Report to the dance floor)  
It's bad boy bitch  
(Talk to 'em)

See you out the corner of my eye  
Leaning on the wall, looking fly  
I want you to come be with me  
You're the only one I wanna talk to  
But I don't wanna rush

I'm here when will you make your move ?  
I see you, I am me  
I want cha, why don't cha  
Come to me, I can be, what you need, uh baby  
I'm standing, been waiting, I'm yearning, I'm burning  
Get to know me, come and get to know me  
Come to show me, that you wanna know me

You know who it is, I'm back in the building  
Security strapped, still stacking a million  
It's doubt with the stallion, somethin' Italian  
Or maybe Puerto Rican, you can catch me in Paris  
I'm in it to win it but willing to carry  
The game, if you think I'm not look at the carats  
I buck clean about in a Phantom  
The people go screaming like an opera anthem  
I did it before, do it again  
I got to blow, gotta to spin  
Lies before, cool as the wind  
Got hits go back like juice and gin  
Shine the best and diamond necklace  
My extravagant taste, the style perplexes  
They know I'm the ish, they wanna get next  
That's why she had to fit cause she wanted to get next

I'm here when will you make your move ?  
I see you, I am me  
I want cha, why don't cha

Anywhere I appear, they all stop and stare  
Admire your body language speaking loud and clear like  
(I want you to come be with me)  
She be waiting anticipating for oh so long  
Fantasising wild thoughts of me coming on like  
(I'm here when will you make your move)  
She digging my style, my swag, my suede, my swerve  
My way with words, the Boys absurd for sure  
You can't fall 'til my aura called  
I make miracles like I walk on water  
What you want mama order, it's on my tab  
I'm so bad with the cash, I dropped the whole bag
