Nightingale

Sing us a song

Of a love that once belonged

Nightingale

Tell me your tale

Was your journey far too long ?

Does it seem like I'm looking for an answer

To a question I can't ask

I don't know which way the feather falls

Or if I should blow it to the left

All the voices that are spinnin' around me

Trying to tell me what to say

Can I fly right behind you

And you can take me away
