If you want me baby
you've just got to let me know (let me know)

If you want me baby
you've just got to let me know

Don't go chasin like the butterflies
when everything you want is right here by your side
Don't go chasin like the butterflies
when everything you want is right here by your side

If you need me baby
you've just got to let it show (let it show)
If you need me baby
you've just got to let it show (let it show)

Why don't you lull your defense
there's no more room for walls or fantasies
Why don't you lull your defense
there's no more room for walls or fantasies

you've just got to let me know (let me know)

The first time I saw you
I felt something inside
Well, the first time that I saw you
I felt something inside I couldn't hide
You know
the first time that I saw you
