

No easy way down - 1/1

Interprété par Norah Jones.

Your toy balloon has sailed
In the sky now
But now it must fall to the ground
Now your sad eyes reveal
Just how badly you feel
There is no easy way down

The view from the cliffs
Must have been exciting
And up to the peaks
You were bound
Now you're stranded alone
And the past is unknown
And there is no easy way down

And now it isn't very easy
When you find yourself on your own
No it isn't very easy
When each boat you take
Is one more mistake
There's no one to break, your fall
Lead you back home

We all like to climb
To the heights of love dear
We're our fantasy world can be found
But you must know in the end
When it's time to descend
That there is no easy way down

I know it isn't very easy
When you find yourself out on your own
No it isn't very easy
When each road you take
Is one more mistake
There's no one to break
Your fall
And lead you back home

We all like to climb
To the heights of love dear
Where our fantasy world can be found
But you must know in the end
When it's time to descend
That there is no easy way down

There is no easy way down
