

## A dangerous mind - 1/1

**Interprété par Within Temptation.**

I'm searching for answers  
cause something is not right  
I follow the sings  
I'm close to the fire

I fear that soon you'll reveal  
your dangerous mind

It's in your eyes, what's on your mind  
I fear your smile and the promise inside  
It's in your eyes, what's on your mind  
I fear your presence, I'm frozen inside

I'm searching for answers  
not questioned before.  
The curse of awareness,  
there's no peace of mind.  
As your true colours show  
a dangerous sign.

It's in your eyes, what's on your mind  
I see the truth that you've buried inside  
It's in your eyes, what's on your mind  
There is no mercy, just anger I find

I just have to know, while I still have time  
Do I have to run, or hide away from you ?

It's in your eyes, what's on your mind  
I see the truth that you've buried inside  
It's in your eyes, what's on your mind  
There is no mercy, just anger I find
