

## Overcome - 1/2

**Interprété par Within Temptation.**

Where are the heroes  
In my time of need  
Is my cry not loud enough  
Or have they gone all numb

They just tend to stand  
Out of the rain  
Thinking but not acting  
That they're not to blame

Falling and crawling  
A fight to stand up  
Memory still haunts me  
In the dead of night

Over and over  
I felt so small  
But one day I'll be stronger  
And you better watch out

I will overcome  
Your violence their silence  
Although,  
It can't be undone  
I will overcome  
Knowing that I'm not the only one  
I will overcome  
It's the only way to carry on

Where are the saviours  
Afraid of the toll  
Sorry do my nine inch nails  
Slash your soul

Such heroes  
Throwing stones  
Straight at the one  
Who is standing alone

Twisting and turning  
It's always the same  
Truth is never honest  
When you're to blame

Pushing and pulling  
Never give in  
One day I wish

## Overcome - 2/2

You'll see you're not so beautiful within

I will overcome  
Your violence your silence  
Although,  
It can't be undone  
I will overcome  
Knowing that I'm not the only one  
I will overcome  
It's the only way to carry on

Run and run  
Run and run

I will overcome  
Their violence your silence  
Although  
It can't be undone  
I will overcome  
Knowing that I'm not the only one  
I will overcome  
It's the only way to carry on

I will overcome
