

Somewhere - 1/1

Interprété par Within Temptation.

Lost in the darkness
Hoping for a sign
Instead there's only silence
Can't you hear my screams ?

Never stop hoping
Need to know where you are
But one thing's for sure
You're always in my heart

I'll find you somewhere
I'll keep on trying
Until my dying day
I just need to know
Whatever has happened
The truth will free my soul

Lost in the darkness
Tried to find your way home
I want to embrace you
And never let you go

Almost hope you're in heaven
So no one can hurt your soul
Living in agony
Cause I just do not know
Where you are

I'll find you somewhere
I'll keep on trying
Until my dying day
I just need to know
Whatever has happened
The truth will free my soul

Wherever you are
I won't stop searching
Whatever it takes me to know

I'll find you somewhere
I'll keep on trying
Until my dying day
I just need to know
Whatever has happened
The truth will free my soul
