Engine's running high baby
Can you come and check it?
Got such a pretty kitty, boy
I know you want to pet it

The weather's nice and wet
Just south of the border
I can cook up anything that
You have to order

Come on baby
I'll make it easy
Come on honey
I'll make it so easy

Anything that you want boy (you know I got it)
Anytime that you need it (you know I'm on it)
And whenever you're gone boy (I just can't stand it)
You just make me lose my mind

Hey Mr Postman, where's the mail for my mailbox ?
I wanted sex on the beach and I don't mean on the rocks

It's your serve baby
But the ball's in my court,
I've got a landing strip clear
For you at the airport

Come on baby
I'll make it easy
Come on honey
I'll make it so easy

Anything that you want boy (you know I got it)
Anytime that you need it (you know I'm on it)
And whenever you're gone boy (I just can't stand it)
You just make me lose my mind

Ooh-Ohhhhhhhhhhhhhhhhh
