Gonna win it no limit, strong women we are

Gotta win it no limit, strong women we are

Gonna win it no limit, strong women we are

Gotta win it no limit, strong women we are

Where them girls at (girls at)

That like to be in charge

When the heat get too hot, they just keep turnin' it up

Never let 'em see see, that you sweat, gotta go hard

Where those winning women thats really willin to take it off !

Where them girls at (girls at)

That like to be in charge

When the heat gets too hot, just keep turnin' it up

Never let 'em see see, that you sweat, gotta go hard

Where those winning women thats really willin to take it off !

Uh-uh-uh-uh huh

When you see both of us on catwalk representing our culture

Uh-uh-uh-uh huh

Well the time and day has changed, where the women wear the pants without changing the last name

Uh-uh-uh-uh huh

Where the word diva, diva, mean viva, viva, we run las vegas

Uh-uh-uh-uh huh

And then the stock exchange, bang, Than we got claim to the change

All, all, all a girl want, wants

All a girl need, needs

Its just all those, simple things like to be cared for

Just to have him, be there for

All that matters, it's those sweet things

That's all a girl really wants

Where them girls at (girls at)

That like to be in charge

When the heat get too hot, they just keep turnin' it up

Never let 'em see see, that you sweat, gotta go hard

Uh-uh-uh-uh huh
We are too confident, me and her talk to Phil, never happen again
Uh-uh-uh-uh huh
We don't wait, we get paid, for a trait holiday, we sip lemonade
Uh-uh-uh-uh huh
Instead of doing what he wants, we do what we want, buying homes in Geneva
Uh-uh-uh-uh huh
Like when the sound baby glance, rings, and that means more than things

All, all, all a girl want, wants
All a girl need, needs
Its just of those, simple things like to be cared for
