

Don't stop the music - 1/2

Interprété par Rihanna.

Please don't stop the music
Please don't stop the music
Please don't stop the music
Please don't stop the music

Its gettin late
I'm making my way over to my favourite place
I gotta get my body moving shake the stress away
I wasn't looking for nobody when you looked my way
Possible candidate yeah

Who knew
That youd be up here lookin like you do
Your making staying over here impossible
Baby I must say your aura is incredible
If you dont have to go (don't)

Do you know what youv started
I just came here to party
But now wer rockin on the dancefloor acting naughty
Your hands around my waist
Just let the music play
We're hand in hand
Just a twist and now wer face to face

I wanna take you away
Let's escape into the music DJ let it play
I just can't refuse it
Like the way you do this
Keep on rockin to it
Please dont stop the
Please dont stop the music
Please dont stop the music

Baby are you ready cause its getting cold
Don't you feel the passion ready to explode
What goes on between us no one has to know
This is a private show ohh

Do you know what youv started
I just came here to party
But now wer rockin on the dancefloor acting naughty
Your hands around my waist
Just let the music play
We're hand in hand
Just a twist and now wer face to face
