

## Say it - 1/3

**Interprété par Rihanna.**

You should tell me whats buggin you  
And Imma tell ya bout me  
Make a wish and tell me your deepest thoughts  
And Imma make it easy  
Make a wish tell me whats buggin you  
And Imma tell ya bout me  
Make a wish and tell me your deepest thoughts  
And Imma make it easy

Emotions running wild  
I could feel it when I'm next to you,  
Something's on ya mind  
You wanna stay but wont tell me,  
its about ya secrecy  
So what are you tryna hide?  
I know what the look means  
You hold my hand so tightly,  
Whenever we say goodbye  
Standing by the door,  
I could tell you can't take no more  
Blow your secret open wide

So maybe if you say it  
Tell me what it is you likeeee (likee)  
Baby baby dont be shyyy (shyy)  
Maybe you can spend the nighttt (nii-iii-iightt)  
If you say it  
But if you playin (not wit it)  
Cuz you know what I wanna hear (hearr)  
Say it, that'll make it more clear (clearr)  
I need to know how you feel  
So baby why wont you (say it), say it (say it)

Wont', won't you tell me  
What, what's going on  
Why, why you waitin' on it  
What you waiting for?  
Soon you should tell me or I might be gone  
But I'm here for you baby  
You should put me on

I won't shoot you down,  
Make you feel some kinda way  
If you'll be honest with me  
Put away your pride,  
I can see it in your face  
You want me permanently (unh)

## Say it - 2/3

so baby why wont you (say it), say it (say it)

Your eyes steady talking  
And your tryna fight it  
But some things baby are not worth hiding  
And we can find heaven  
If we go look together  
So won't, won't you tell me  
And get it off your chest

So maybe if you say it (saa-ayyyy)  
Tell me what it is you likeeee (what it is you like)(likee)
