

## Kisses don't lie - 1/2

**Interprété par Rihanna.**

Kisses dont  
No they dont  
Never dont lie  
You can run if you want but you cant hide  
Tellin you its the truth dont you ask why  
Kisses dont  
No they dont  
Kisses dont lie

Emotions come and go  
Almost how the wind will blow  
There so little in this world to trust in  
Seduce themselves with lies  
Some dont realize  
They call it love but its really only lustin

So you see you and me  
We're gettin close to the danger zone  
Show me how tell me now  
Should I stay or should i go  
Cause I'm caught between yes and no

Cause when you kiss me  
I feel everything that I been missing  
I try to slow down but my heart wont listen  
And its tearin me all up inside  
And when you touch me  
I feel a rush but I'm afraid that it might crush me  
Should I put my trust in somethin I dont trust in  
I try to run but theres no place to hide  
Cause baby kisses dont lie

Kisses dont  
No they dont  
Never dont lie  
You can run if you want but you cant hide  
Tellin you its the truth dont you ask why  
Kisses dont  
No they dont  
Kisses dont lie

You whisper in my ear  
But are your words sincere  
Cause pretty words can cut just like a knife  
You see I'm nobody's fool  
I play by my own rules  
So please think twice before you step into my life
