Na na na na na
Na na na na na
Na na na na na na na na na na na na na na na
Na na na na na
Na na na na na
Na na na na na oh na na na na na na na na na

It's been a minute since I saw you boy
Like some medicine to hear your voice
And I guess that I forgot just how you make me feel when your around
See you haven't lost your sense of style
And you still could melt me with your smile
Can't deny that I still got these feelin' deep inside

It's funny how things could change
But still remain the same
Isn't life just a crazy game
Baby here I go again

I look into your eyes and then
My heart remembers when
And I realize I neva gotten over you
Everytime I hear your name
It's like the sun shined through the rain
And I realize this happenin'
Baby here I go again

Here I Go Again

Still remember how you make me weak
How so hard to find the words to speak
I just cant excape the memories
I tried but I just cant break free
But I closed the door on what we had
But these feelings just keep comin back
Didn't think that you could make me loose control like that

It's funny how things could change
But still remain the same
Isn't life just a crazy game
Baby here I go again

I look into your eyes and then
My heart remembers when
And I realize I neva gotten over you
Everytime I hear your name
It's like the sun shined through the rain

Here i go again - 2/2

And I realize this happenin'
Baby here I go again
