I'm feeling really unappreciated
You takin' my love for granted, babe
I don't know how much more
I can take from you
You don't do the things you use to do
You don't even say I love you too
And lately I've been feeling
Feeling unappreciated

Woke up this morning and saw your face
And you didn't look the same as yesterday
I got the feeling that you can't seem to see,
What you want to be
And lately it ain't been the same at all
When you're here its like I'm invisible
I still can't seem to see where I went wrong
Cuz I'm feeling

I'm feeling really unappreciated
You takin' my love for granted, babe
I don't know how much more
I can take from you
You don't do the things you use to do
You don't even say I love you too
And lately I've been feeling
Feeling unappreciated

Lately our house is not a home
You come in, take a shower and then say I'm gone
What am I to do
With my heart just leave
But my feet won't move
Today is our anniversary
But you haven't even say two words to me
I'm trying hard to give you another chance
But ooh baby I'm feeling

I'm feeling really unappreciated
You takin' my love for granted, babe
I don't know how much more
I can take from you
You don't do the things you use to do
You don't even say I love you too
And lately I've been feeling
Feeling unappreciated

Oh when I first met you

Unappreciated - 2/2

I thought you was the most perfect man
That I ever seen
I still don't understand why
You treat me like you do
I use to give into your lust
Now I see the truth
Oh no I don't want to hear it all through
Yea I know I'll still be missing you
But it's not worth the pain
That came from you
You made me feel
Unappreciated

I'm feeling really unappreciated
You takin' my love for granted, babe
I don't know how much more
I can take from you
You don't do the things you use to do
You don't even say I love you too
And lately I've been feeling
Feeling unappreciated

Don't love me no more
Heeey wooo hooo
