I pack my case
I check my face
I look a little bit older
I look a little bit colder

With one deep breath
And one big step
I move a little bit closer
I move a little bit closer

For reasons unknown ...

I caught my stride
I flew and flied
I know if destiny's kind
I've got the rest on my mind

But my heart
It don't beat
It don't beat the way it used to
And my eyes, they don't see you no more
And my lips, they don't kiss
They don't kiss the way they used to
And my eyes don't recognize you no more ...

There was an open chair

We sat down in
The open chair
I said if destiny's kind
I've got the rest on my mind

But my heart
It don't beat
It don't beat the way it used to
And my eyes, they don't see you no more
And my lips, they don't kiss
They don't kiss the way they used to
And my eyes don't recognize you at all

For reasons unknown

Said my heart it don't beat

For reasons unknown - 2/2

It don't beat the way it used to
And my eyes don't recognize
You no more

And my lips they don't kiss
They don't kiss the way they used to
And my eyes don't recognize you
No more
