

Where is she ? - 1/2

Interprété par The Killers.

A police car
Was outside your house today
I haven't seen you
In a couple of days
They knocked on your door
And then they went away
Your mother looked scared
But she didn't cry, she didn't cry

On one hand
I've got myself to blame
But on the other it's always the same

Follow suit
Shake your hand tell me that it's a lie
I don't want you for dead
But I want you to die without
A good friend, on a sunshine
I know I want survival, but you don't know why

Where is she ?
Where is she ?
Where is my baby girl ?
I've seen you, you're crazy
What have you don with my whole wide world ?

On one hand
I've got myself to blame
But on the other it's always the same thing

Follow suit
Shake your hand tell me that it's a lie
I don't want you for dead but I want you
To die without a good friend, on a bad day
Without a soul survivor, but what do you say ?

All of these tears that we've cried
All of these tears that we've cried

Where is she ?
Where is she ?
Where is my baby girl ?
I've seen you, you're crazy
What have you done with my whole wide world ?

Where is she ?
Where is she ?

Where is she ? - 2/2

Where is my baby girl ?

I've seen you, you're crazy

What have you done with my whole wide world ?

What have you done with my whole wide world ?

What have you done ?
