

Everything changes - 1/2

Interprété par Take That.

Girl, come on over here
Let me hold you for a little while
And remember I'll always love you
Forever
Everything changes but you

We've said goodbye, the taxi cab is waiting
Now don't you cry, just one more kiss
Before I have to go
Hey girl I know the situation changed
And so much is new but something in my life
Remains the same cos

Everything changes but you
We're a thousand miles apart
But you know I love you
Everything changes but you
You know everyhting single day
I'll be thinking about you

The rumors true, you know that there've been others
What can I do, I tell you baby they don't mean a thing
Now girl don't go and throw our love away
I'll be home soon back in your arms to hear you say that

Everything changes but you
We're a thousand miles apart
But you know I love you
Everything changes but you
You know everyhting single day
I'll be thinking about you

Everything changes but you
We're a thousand miles apart
But I still love you
Everything changes but you
I'll spend everyhting single day
Thinking about you

Though everything changes around us
(Baby don't U cry)
We will be the same as before more

Everything changes but you
We're a thousand miles apart
And I still miss you baby
Everything changes but you

Everything changes - 2/2

You know everyhting single day
I'll be thinking about you

Everything changes but you
I'll be thinking about you
Thinking about you
Everything changes but you
Cos you know I love you
Know that I love you

Everything changes but you
I'll be thinkin' about you
Thinking about you
Everything changes but you
I love you, I love you
