

Hold on - 1/2

Interprété par Take That.

We've been here many times before
Leaving rooms and slamming doors
We're climbing up the bedroom walls
Sometimes we make it so frustrating
I touch your mouth, I touch your lips
The answers at our fingertips
Not giving up or givin in
Why are we so complicated ?

Oh tell me what to say, tell me
To make it all ok

I don't wanna se you Hurting
Just hold on
Just hold on to me
I don't wanna se you crying
Just hold on
Just hold on to me

I'm tryin' to think of what to do
To really make it up to you
So many truths, too many lies
Making love can be so crazy
I find myself back here again
Asking you to let me in
You know it's time, we need to change
How can we live with all these maybes ?

There are no words to say, no words
To make it go away

I don't wanna se you Hurting
Just hold on
Just hold on to me
I don't wanna se you crying
Just hold on
Just hold on to me

Cause baby it's alright
I'm staying here tonight
So hold on

Just tell me what to say
To let you know I'll always stay

I don't wanna se you Hurting
Just hold on

Hold on - 2/2

Just hold on to me
I don't wanna see you crying
Just hold on
Just hold on to me
